

Underage Drinking

All persons purchasing alcoholic drinks must, when asked, prove they are over 18 with appropriate ID (official document with date of birth and identification photo is ideal).

You may not purchase alcoholic drinks for underage persons either.

If you do so we will, with regret, act immediately to ban the offender(s) and escort them from our premises

This is a legal condition which we have no leeway to compromise on, please respect it and have a good time

Thank you,

Staff & Owners
